From Total Hearing Solutions, July 2017

## OTOHARMONICS LEVO SYSTEM

Total Hearing Solutions is proud to announce that we are now providers of the Otoharmonics Levo System for tinnitus therapy! Unlike traditional maskers, the Levo System is an FDA-cleared, 90-day treatment specifically designed for use **while you sleep**, when the brain is most responsive to habituation to the tinnitus. Your Audiologist customizes the Levo System's sound stimulus to your specific tinnitus and is able to track your treatment progress using the newest tools in "smart technology" via custom earbuds and Apple® digital devices. If you or a loved one suffers from tinnitus (i.e. ringing, buzzing in the ears), please call THS at (317) 705-2700 for a Levo System consultation today!

---

## Real Ear Measurement

Total Hearing Solutions now has the ability to **objectively** measure just how accurately your hearing aids are working for you! We routinely are asked why we do not test your hearing with the hearing aids in the sound booth—now we are one of the only offices in the area that has a way to **accurately** and **objectively** test the hearing aids' settings while you're wearing the devices! The Otometrics AURICAL Real Ear Measurement (REM) uses a small probe microphone placed in the ear canal, while also wearing the hearing aids, and verifies the precise fitting of the devices—all while sitting comfortably in the office! To schedule your Real Ear Measurement today, please call THS at (317) 705-2700 and schedule with your audiologist!

## Patient Appreciation Night

***We love our patients, and we want to show you our appreciation for each and every one of you!***

Please bring a guest and join Total Hearing Solutions Audiologists and Staff for our **Patient Appreciation Night** at the Total Hearing Solutions office on **Thursday, August 03, 2017 from 5:30 until 7:30p**. Please feel free to stop in to see the latest in hearing aid technology and all that we have to offer at THS! Food and refreshments will be provided, along with a **raffle for a \$100 Gift Certificate to Coopers Hawk Winery!** No need to RSVP - we just hope to see you and your family and friends there!

## **Walk-in Hours:**

Mondays 1:30-4:30pm  
Wednesdays 12:00-3:00pm  
Fridays 8:30-11:30am

**DID YOU KNOW** that **NEW** hearing aid technology allows for **better hearing** in restaurants, cars, meetings and so much more?

We would like the opportunity to allow you to enjoy a wonderful evening of **complimentary food and wine** while demonstrating the newest hearing aid technology! Dinner will be on **Tuesday, August 08, 2017 at Coopers Hawk Winery**, 3815 E. 96th St., Indianapolis at 6p. During dinner, you will wear the newest hearing aid technology, programmed to your hearing loss, to see just how much of an improvement these aids will provide in this tough listening environment! After dinner, you will be given the opportunity to take the devices home for a week trial if you choose. There is no obligation to purchase. Please call Total Hearing Solutions today to reserve your and a loved one's spot at the dinner at (317) 705-2700.

**Space is limited, so please call soon!**
